

GMP Chat

With your AI assistant in GMP Compliance Adviser you get answers instead of hits.

The GMP Chat only accesses the verified knowledge of the GMP Compliance Adviser – either from the GMP in Practice chapters, the regulations or the entire knowledge portal.

You get well-researched, reliable answers to your questions.

The GMP Chat also tells you which chapters from the GMP Compliance Adviser were referenced.

You can research more specifically and deepen your knowledge.

The GMP Chat was developed exclusively for GMP Compliance Adviser users and is discreet:

Your questions remain in the safe area of our knowledge portals!

Where to find the GMP Chat?

Log in with your account at <https://login.gmp-verlag.de>. You will find the link to the GMP Chat directly under the overview of your subscribed knowledge portals.

As soon as you have opened the GMP Compliance Adviser, you can access the GMP Chat at any time via the blue block in the navigation bar.

[Here](#) you will find a compact guide with helpful tips and information about your AI assistant.

Don't have access to the GMP Compliance Adviser yet?
